

Price Guide

This price guide is intended to give clients an idea of the costs associated with purchasing and transporting Pandanus trees from our Palmwoods plantation to your home or site. They are not set in stone and interested parties should contact Sam on 0417712220 to discuss what we can do for you. We endeavour to meet all customers needs and budgets as best as we can.

Tree Costs:

- Smaller trees range from \$250-\$500 + GST
- 2.5x2.5m - \$750 + GST
- 3x3m - \$1250 + GST
- 3.5x3.5m - \$1500 + GST
- 4x4m - \$1750 + GST
- 4m+ \$2000-\$2500 + GST
- Larger ornamental specimens by special order usually ranging from \$3000 - \$6000 + GST depending on the size and shape of the tree. The significantly higher price is due to craneage, transport and possible traffic pilot costs.

Transport:

Larger Tree (3m+): Deliveries are usually by crane truck and if access is good then our experienced driver Ray, can install directly into a pre-prepared hole. Even smaller trees can be quite heavy so we find this is usually the best method. Delivery is charged at an hourly rate, depot to depot. Sunshine coast deliveries are usually around \$250+ GST while Brisbane is around \$400-\$450 + GST. Gold Coast is around \$650+ GST.

Smaller Trees: Can be delivered in a covered truck by Plant delivery Service. Price depends on size or number of trees ordered.
